

Testweek tips

Need to know!

Where can we study?

ENGINEERING STUDY SPACES

- FIRGA/FECUA
- M2002 and M2004
- M3002
- Engineering Study Centre
- Engineering Library (until 18:30)
- A305 (from 20:00 until 00:00)
 - A305 must be cleaned after 00:00

MAIN CAMPUS STUDY SPACES

- JC Smuts Study Centre
- JS Gericke (main campus) Library
- Jan Mouton Building

SS Cubicles

The SS cubicles can be booked again! The bookings are limited to 3 hours per group, and a maximum of 3 people are allowed in a cubicle at a time. Please note that all cubicle rules are still in place and should you be in contravention of these rules, you could lose the ability to book the cubicles again in future.

ESC approved study methods

- **SQ3R method**
- **Retrieval practice**
- **Spaced practice**
- **PQ4R method**
- **Feynman Technique**

Reminders

- **if it were easy, everyone would do it**
- **be kind to yourself**
- **eliminate distractions**
- **take breaks when needed**
- **walk around and get fresh air**
- **eat and sleep properly**
- **YOU HAVE GOT THIS!**

PLEASE NOTE

- **food and drinks are not allowed in any venues (unflavoured water is allowed)**
- **all COVID-19 protocols are still in place, and must be adhered to**
- **you are not allowed to swipe anyone who does not have access to a venue into a venue as per the student card agreement**
- **please ensure that doors are closed and not kept open after entering a venue or space, since this endangers student safety**

Failure to adhere to these rules could lead to suspension of access to venues.

NB contact details

- **The Centre for Student Counselling and Development (academic help)**
 - studysuccess@sun.ac.za
- **Campus psychologist (free)**
 - supportus@sun.ac.za
- **Engineering educational psychologist and student support**
 - natalies@sun.ac.za

SAFETY after hours

If you are working late and need an escort to somewhere on campus, send a WhatsApp to 0828082333 to contact **campus security** with your student number, where you are and where you need to go.

Emergencies: 021 808 2333 / 021 808 4666
