SUPERVISOR SIGNATURE FOR APPROVAL

NOTE FOR THE STUDENT: You confirmed that you are a student conducting this research for degree purposes. To submit this application, you need to request your supervisor's signature first to confirm his/her approval of your ethics application.

NOTE FOR THE SU

By responding to

I, as the supervisor/   ation for scientific
soun___ss, accura

Supervisors should

How to request y
            IMP(below

1) Click on **request**

2) You will be asked   orrectly. If you get a
message that the us   address.

---

1. Unlock the applicant, 2. Request supervisor signature again.

---

3) Once you send the request, the application will be locked until your supervisor responds.

4) Once the supervisor responds to the signature request by signing this application form, the application will be submitted to proceed to the DESC/FESC review process.

WARNING: The system will prevent you from requesting the signature if there are mandatory questions that are still incomplete. Please do a completeness check before you click on request signature to confirm that all mandatory sections are complete.
